

CURRÍCULUM VITAE

Hazel Chavez Alvarado – Software Developer

Email: hazelchavez56@gmail.com | Portfolio: portafolio-hazel-chavez.vercel.app | Celular : +506 8552 0126
| Location: Costa Rica

PROFILE

Enthusiastic Front-End Developer, graduate of the Software Development Technician program. I have experience with freelance and academic projects, building attractive and functional web interfaces using HTML, CSS, and JavaScript. I completed a full English program from A1 to C1 and continue improving my skills. I'm eager to contribute to challenging projects and grow in the web development field.
